Four Winds[®]

Class C Motorhome

FW
Four Winds
INTERNATIONAL

FOUR WINDS...SETTING A NEW STANDARD OF LIVING

Shown with Estate Indigo interior, standard Oak cabinetry and standard jackknife sofa. Inside, the spacious living area provides all of the comforts and conveniences necessary to enjoy a quality lifestyle while on the road.

The Four Winds Class C motorhome sets a new standard of comfortable living in many different ways.

A choice of several exciting floorplans. Contemporary interior decor packages and amenities. Distinctive exterior graphics and paint packages. You can customize the motorhome to meet your needs, tastes and lifestyle.

When comparing the Four Winds to other brands, it's easy to see that nothing else will measure up. In comfort. In quality. In value.

Shown with Estate Indigo interior and standard Oak cabinetry. Optional features in the front overhead include entertainment center with a television and slide-out bunk. The cockpit area is designed for maximum driver and passenger comfort with an oversized AM/FM radio with large buttons, compact disc and cassette player, and weather band, as well as a dash insert with drink tray.

Shown with Belushi Cashmere interior and optional Maple cabinetry. Standard features in the kitchen include a double-door refrigerator, three-burner gas range top with oven, microwave oven, laminate countertop and large Stainless Steel double bowl sink. The decorative raised wood panels on the refrigerator is a popular option that adds a touch of class.

All Four Winds motorhomes are built to meet stringent high-quality standards—from the inside out. These models are available in single and double slide-out floorplans.

The kitchen is fully equipped with name brand appliances and convenience features to meet your food planning and preparation needs. You can enjoy a quick

meal or elegant dinner at the dinette with contemporary table top and durable vinyl-backed cushions. It can be easily made into a bed when extra sleeping accommodations are needed.

The spacious cabinets offer lots of storage, and drawers have double metal roller guides for added durability and easy access.

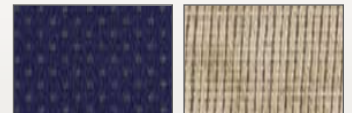

Shown with Belushi Cashmere interior, optional Maple cabinetry and optional Luxor Leather sofa. There is plenty of seating in the main living area for entertaining guests or just relaxing after a full day of activities.

EXPERIENCE ALL OF THE COMFORTS FOUR WINDS HAS TO OFFER

Shown with Estate Indigo interior and standard Oak cabinetry. You'll find plenty of wardrobe and overhead storage to accommodate your personal belongings. Models 28A, 31P and 31V are available with optional twin beds.

Attractive bedroom appointments allow you to rest and relax in comfort. Standard features include a queen-size bed with inner spring mattress, color-coordinated bedspread and pillow shams with matching headboard.

A classic vanity with an upholstered stool is standard in Model 29E. You can also choose a 14" television in the bedroom as an option on Models 31P and 31V.

The bath area offers all the conveniences of home. Standard features include a medicine cabinet, power bath vent and china bowl toilet. Models 31V and 31F have a standard neo-angled shower with glass door. All other models are available with an optional glass shower door.

Shown with Taupe Mist exterior graphics/paint option.

Shown with standard Taupe Mist exterior graphics.

Four Winds®

The pass-through exterior storage compartment features seamless RotoCast® construction for extra durability and water protection. The fully insulated doors are easy to open, and ensure convenient, safe storage for your valuable belongings while traveling.

Your Adventure Begins With The Four Winds 5000

Shown with Estate Indigo interior and standard Oak cabinetry. The Four Winds 5000 is available in a wide selection of floorplans with standard and optional features that can be customized to meet your needs. Once you step inside, you'll find a fully equipped kitchen with dinette, sleeping area, bathroom and lots of storage space—inside and out. Model 29R is a double slide-out floorplan that dramatically increases your living area, and features four separate sleeping areas.

THE FOUR WINDS QUALITY DIFFERENCE

What sets Four Winds International apart from other manufacturers? It's our level of quality built into all of our motorhomes. It's the value integrated into all of our designs. It's a dedication to innovation so we can continually improve the quality and value of our motorhomes year after year.

Our ultimate goal is to build the right combination of quality, functionality and durability into each recreational vehicle for an extraordinary value. It's a commitment we take seriously, and one on which you can depend.

THE DIFFERENCE IS CLEAR

At Four Winds International, we strive to go beyond your expectations in every recreational vehicle we build so you can enjoy a better quality of life when traveling on the road.

All Four Winds motorhomes come with a full one-year, 15,000 mile bumper-to-bumper warranty, and a three-year, 45,000-mile limited structural warranty. Our nationwide dealer network is fully equipped and trained to meet your service needs. The experienced Four Winds support staff is available to provide assistance on all technical, service and warranty issues. See your Four Winds International dealer for complete warranty details.

Four Winds continues in our commitment to provide high-quality products and support services that results in customer satisfaction—one customer at a time. So whether you are a first-time recreational vehicle owner, or an experienced one, we want you to enjoy many years of adventures in your Four Winds International motorhome.

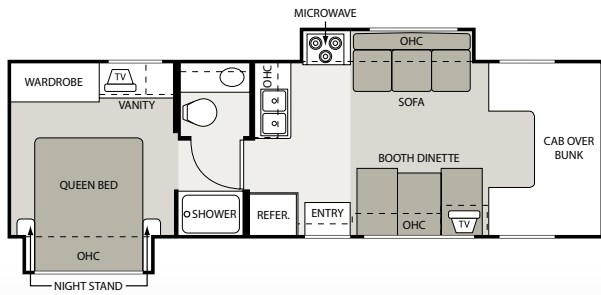

This is the Four Winds difference.

WHY THOR IS YOUR BEST RV VALUE

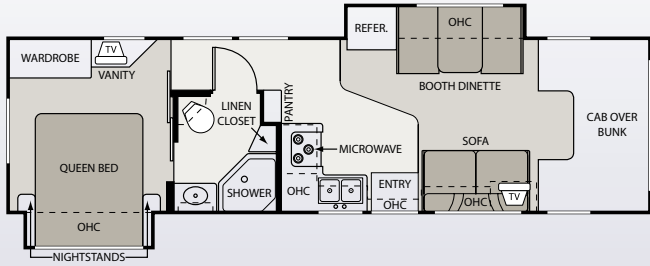

Thor Industries, Inc., listed on the New York Stock Exchange (THO), proudly traces its history back over 70 years to the pioneering days of the recreational vehicle industry with the founding of Airstream, the industry's oldest and most renowned brand. Our total commitment to quality and our philosophy of putting our customers first has led to our continuous growth.

Today, Thor is the largest builder of recreational vehicles. Thor's strong financial condition and years of solid growth are your assurance that we will be here to serve you for years to come. We think this extra peace of mind is important when you are making a significant investment. Because our customers are always #1 with us, we work harder than other manufacturers to satisfy you.

VEHICLE LOADING:

Every effort has been made to provide the greatest number of options for the recreation vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices so that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreation vehicle.

DRY WEIGHTS:

Based on standard features; optional equipment not included. Net carrying capacity (NCC) determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options, and cargo. Liquid capacities and weights are approximations only.

WARNING:

This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing, and towing instructions.

IMPORTANT: Towing capacity may vary by chassis model, floorplan, options and loading of the vehicle. This may result in a towing capacity which is less than the maximum capacity of the hitch. Do not exceed the vehicle's Gross Combined Weight Rating (GCWR), or the hitch rating. A separate functioning brake system is required for any towed vehicle or trailer weighing more than 1,000 lbs. (450 KG) when fully loaded.
